

**Premium
Mineral
Salt**

Mined in the USA

Nature has it right™

#10 FINE

For All Classes of Livestock

Provide free choice, LOOSE salt

Horses cannot meet their daily requirements by licking a salt/mineral block. Over time, this may create dietary deficiencies.

**Better Health
& Production**

**Preferred by
Livestock**

Economical

60+ Trace Minerals

- A premium natural sea salt from an ancient sea salt deposit
- 10x more minerals than most salts on the market
- More than 60 naturally-occurring trace minerals including zinc, manganese, cobalt, copper, iodine and more.

No Chemical Processing

- 93% sodium chloride, 7% trace minerals, & 0% synthetic chemicals.
- Naturally balanced, intact minerals in an unaltered state
- No chemicals, bleach or prussic acid (hydrogen cyanide/HCN)
- Free of modern day pollutants
- Not processed or kiln dried at high temps like normal salt

Provide plenty of fresh clean water at all times.

Redmond Salt is a natural mineral sea salt, left as a deposit from an ancient sea during the Jurassic period near Redmond, UT. The minerals from that sea were captured within the crystallizing salt rather than settling out separately as occurs with other salt deposits.

Redmond Salt is almost pure salt, yet it provides many needed trace minerals such as calcium, potassium, magnesium, sulphur, copper, iodine, iron, phosphorous, manganese and zinc.

Sodium is crucial for maintaining the health of every cell in the body. It helps preserve the normal volume of blood in the body and keep the correct balance of water in and around the cells and tissues.

FEEDING DIRECTIONS:

May be fed free choice and/or mixed with other rations.

**Guaranteed Analysis of Redmond Salt:
MAJOR MINERALS**

Calcium (Ca)	0.35% Min - 0.85% Max
Phosphorus (P)	0.02% Min
Salt	91.0% Min - 96.0% Max
Magnesium (Mg)	0.06% Min
Potassium (K)	0.03% Min
Sulfur (S)	0.07% Min

TRACE MINERALS

Copper (Cu)	3 ppm Min
Iodine (I)	10 ppm Min
Iron (Fe)	300 ppm Min
Manganese (Mn)	5 ppm Min
Zinc (Zn)	3 ppm Min

Ingredients: Salt (mineral sea salt) with natural trace minerals. Also contains over 50 natural minerals typically, but not guaranteed.
